# ICT Code of Conduct for Early Childhood Students

At Stuart Park Primary School we use Information and Communication Technology (ICT) for:

| | |
|---|---|
| **Research:** We learn new things | **Communication:** We send and receive information. |
| **Creativity:** We create and modify work. | **Visual Thinking:** We explore our thinking and ideas |
| **Collaboration:** We share ideas and present work. | |

**As an ICT user at this school, I will follow this Code of Conduct:**

| | |
|---|---|
| * I will always keep food and drink away from the ICT equipment. | |
| *I will carry only one device at a time and with care. | |
| * I will tell a teacher if something breaks or goes wrong. | |
| * I will follow the teacher's instructions at all times when using ICT equipment. | |
| * I will ask for help when I don't know what to do. | |
| * I will log on/log off properly. | |
| * I will tell a teacher if I see anything that makes me feel bad or uncomfortable. | |
| * I will keep my personal information such as my password and my name a secret. | |

**I have read and understood the SPPS ICT Code of Conduct and agree to do my personal best to follow it. Class signatures below:**
