

Andrew Baylis – Chairperson (SPPS Council member since 2019)

Hi there, I'm Andrew and I've been on SPPS Council now for just over four years, having originally served as Treasurer before taking on the role of Chairperson in 2021.

I am a long term Territorian, having grown up and completed my schooling in Darwin. I have one child in Year 4 at SPPS. I also have strong connections to education, with my wife working as a teacher and a history of family working in various roles in Top End schools.

The reason I volunteer on Council is to use some of what I've learnt through my professional career to assist in making Stuart Park the best school it can be. I believe in working *with* our educators so they are empowered to give our kids the best start on their schooling journey.

As Chairperson, I pride myself on creating a constructive and collaborative environment where everyone has a voice and we drive positive and tangible outcomes that benefit all students and our school community.

Feel free to say Hi at assemblies or if you see me around the school.
