

Hi, I've been actively involved with SPPS council since 2021 and served as Treasurer for my first two years on the council.

I have two children at SPPS and volunteer my time to council and school events to help where I can. I encourage all parents to volunteer as they can, as every little bit helps in events to be able to assist with raising funds for the school. Fundraising events are then re-invested in the school and for our children's benefit.

Feel free to reach out if you see me around if you have anything you would like raised at council
