

Hello,

I am Kylie, nice to meet you!

I am a really tired Mum to three children, my blood type is 80% caffeine and I have been a member of the SPPS community and School Council since 2021 when our eldest daughter began preschool.

I am proud to be part of the SPPS story and feel confident that the school affords our students a safe and happy atmosphere that encourages a love of learning.

It's my hope that our three children will develop positive social skills, healthy relationship values and a strong sense of themselves prior to commencing their middle school journey in years to come.

In addition to the School Council I am also a member of the fundraising sub-committee and the OH&S sub-committee ~ Parents don't need to be a member of the School Council to sit on a sub-committee and I would encourage anyone interested in joining to get in touch for more information.

Mouldy bread on a Wednesday and a lunch order saves the day? Our school community embraces things like diversity, inclusivity and creativity, however since joining the canteen team I have learnt that the little bellies of our school community also embrace their love of chicken nuggets. With an average of 240 nuggets going out in lunch bags every Friday they are a very firm favourite!

Please swing by the canteen on a Wednesday or Friday and say hello to me or get in touch via email if you have any canteen related questions, feedback or would like to volunteer and share the chicken nugget load on a Friday!

My email address is [kylie.fadelli@icloud.com](mailto:kylie.fadelli@icloud.com)
