

Hi, my name is Nicole and I am privileged to be the school council's treasurer for 2023.

I have two children at Stuart Park Primary School and have enjoyed being part of this school community since my eldest started at the preschool over 4 years ago. My children love going to school and I am thankful to know that their learning and wellbeing is being looked after by all of the wonderful staff. What I enjoy most about being part of SPPS is the community spirit. Everyone – staff, students and families – all contribute to supporting each other in a warm and positive environment focussed on our children's growth.

As an accountant I am passionate about supporting the school with their financial management and governance needs and glad to be able to 'give back' to the school in this small way. I am enjoying the opportunity to learn more about the inner school operations and am seeing first hand all of the hardwork that goes into making this school amazing.

If you see me around feel free to come and say hi!

Nicole
