

Andrew, Mischa and I moved to Darwin from Tasmania three and a half years ago. Mischa has been attending Stuart Park since Year 1 when we purchased an apartment in Tipperary Waters.

I love the ethos of Stuart Park Primary School, especially the kindness and incredible support we have received from the three teachers Mischa has been fortunate to have in her early childhood.

I thrive on giving back to the community and hope to be able to support Stuart Park Primary School by volunteering on the School Council.
